

Emergency Management Communications Assistance Program (EMCAP)

The Emergency Management Communications Assistance Program (EMCAP) to assist local Emergency Management Agencies with acquiring one mobile or one handheld dual-band radio. The EMCAP match requirement has been met with state funds and is limited to those agencies with an award through FY14 EMPG. EMCAP is a competitive direct assistance program. The application can be accessed in the EMPG section of the SEMA webpage. Applications will be accepted electronically, facsimile and traditional mail. **The application deadline is 5:00pm November 30, 2015.** Click [here](#) for an electronic version of the EMCAP application.
