

If you haven't already...Act Now! Don't Wait!

Be one of the first jurisdictions in your area to access FEMA's NEW Public Assistance (PA) Delivery Model - Grants Portal
Create your profile! It's as simple as

one...two...three...

1. Let us (SEMA PA) know you want to be ready when a disaster strikes. (Angie.Mengwasser@sema.dps.mo.gov / 573-230-6255 or Diane.Petty@sema.dps.mo.gov / 573-230-9234)
2. We'll send you an email invite with a link to the Grants Portal.
3. You'll create an organizational profile which allows you: to be notified of a declared disaster in your county, submit an RPA, and manage your grant.
