[bblake@cusec.org](mailto:bblake@cusec.org)

## KEY SESSIONS & TOPICS:

- Preparedness:
  - Individual and community readiness before an earthquake
  - CUSEC and NMSZ State's Panel on Planning
- Response:
  - State plans to assist local efforts post-earthquake including the 100 Hour Mission and Route Establishment Strike Teams
  - MoDOT's response to earthquakes of magnitude 5.0+
- Lessons Learned:
  - Locating missing and unaccounted for persons in catastrophic disasters
  - Missouri SAVE Coalition: Building damage assessments after disasters, including the May 2025 St. Louis EF-3 Tornado

## 8<sup>TH</sup> ANNUAL SUMMIT THEME

**"Newton's Third Law of Motion:**

**For every action, there is an equal and opposite reaction"**

Experts from across the country lead sessions focused on best practices in earthquake planning and response, transportation strategies, hospital and health services response, communication techniques, utility impacts, available resources for schools and local officials, and more.

## ORGANIZERS & PARTNERS:
