Request for Public Assistance Applicant Impact Survey

Overall Impacts
 1.) Does the Applicant have any of the following incident-related impacts? What is the anticipated costs to address these issues? Debris: between \$4,000 and \$1,062,900 or above \$1,062,900? Emergency protective measures: between \$4,000 and \$1,062,900 or above \$1,062,900? Infrastructure damage: between \$4,000 and \$1,062,900 or above \$1,062,900?
Debris Impacts (Category A)
 1.) What is the level of debris impacts? □ Significant □ Moderate □ Minimal
 2.) What is the status of work to address debris impacts? □ Work is completed and costs are documented. □ Work is completed and costs are not documented. □ Work has started. Please provide a projected end date, if known: □ Work has not started.
 3.) Does the Applicant anticipate work with the following characteristics? In a river, lake, or other body of water. Within 200 feet of a waterway, body of water, or wetland. Ground disturbance activities. Removing stumps, trees, or limbs. Root ball extraction for stumps or trees Near endangered species Other environmental concerns, please describe:
Emergency Protective Measures (Category B)
 1.) Does the Applicant have any impacts that require immediate attention or federal support? <i>Please select all that apply</i> Operations being conducted from temporary locations due to damaged facilities Damaged facilities that require temporary relocation of services Operations dependent on temporary equipment Inaccessible areas Inaccessible facilities Other, describe immediate need:

2.)	What is the status of emergency response	/protective measures?
-----	--	-----------------------

- \Box Work is completed and costs are documented.
- $\hfill\square$ Work is completed and costs are not documented.
- □ Work has started. Please provide a projected end date, if known: ______
- $\hfill\square$ Work has not started.
- 3.) Does the Applicant anticipate work with the following characteristics in its emergency protective measures? □ In a river, lake, or other body of water
 - □ Within 200 feet of a waterway, body of water, or wetland
 - □ Ground disturbance activities
 - □ On facilities over 45 years old
 - □ Near endangered species
 - □ Other environmental concerns. Please describe: _____

Infrastructure Damage (Categories C-G)				
1.) What type of facilities were damaged? <i>Please select all that apply and provide an approximate number of</i>				
facilities of each type that were damaged.				
□ Buildings: number of facilities:				
Emergency Services				
□ Other				
Water/Flood Control: number of facilities:				
Natural or Cultural: number of facilities:				
Beaches				
Recreational				
Other				
□ Transportation: number of facilities:				
□ Bridges				
Roads/Culverts				
Mass Transit				
Other				
Utilities: number of facilities: Communications				
Energy Water or Wastewater				
Other Vehicles or Equipment: amount damaged:				
□ Other:: number of facilities:				

 2.) Does the Applicant anticipate work with the following characteristics? <i>Please select all that apply</i> In a river, lake, or body of water Within 200 feet of a waterway, body of water, or wetland Ground disturbance activities On facilities over 45 years old Near endangered species Other, describe immediate need:
 4.) What is the status of work to address infrastructure damage? <i>Please select one.</i> Work is completed and costs are documented. Work is completed and costs are not documented. Work has started. Please provide a projected end date, if known:
 5.) Does the Applicant anticipate pursuing any of the following options for one or more facilities? Change the size, capacity, or interior design of a facility Yes No Unsure Replace or relocate the facility Yes No Unsure Abandon a facility and use the funds towards a facility with a different function Yes No Unsure
All Impacts
 1.) Does the Applicant know how it plans to conduct the work to address the impacts? <i>Please select all that apply.</i> Contract. <i>Please provide procurement policy</i> Force Account Labor. <i>Please provide labor policy</i> Donated resources or mutual aid. No. Unsure. 2.) Does the Applicant have any insurance policies? <i>If yes, please provide insurance policy</i> Yes, but the Applicant has not filed a claim. Yes, the Applicant has filed a claim but not received settlement. Yes, the Applicant has filed a claim and received settlement. No.

Applicant Certification

- 3.) What is the Applicant's experience and level of support needed with the Public Assistance application process?
 - □ Unfamiliar, and likely to need dedicated, in-person support navigating the process.
 - □ Unfamiliar, but likely to be comfortable with limited or remote support navigating the process.
 - □ Familiar, but likely to need dedicated, in-person support navigating the process.
 - □ Familiar, and likely to be comfortable with limited or remote support navigating the process.
- 4.) Did a representative of the Jurisdiction attend an Applicant Briefing?
 - □ Yes
 - 🗆 No

General Certification:

I certify that I have reviewed the following information regarding requirements to receive Public Assistance: *Please initial next to each statement*.

_____ Applicants should document damages with photos and track all resources used at the site including dates and quantities.

_____ Applicants must comply with the applicable codes, specifications and standard requirements when restoring infrastructure.

______ In accordance with the Public Assistance Program and Policy Guide, the Applicant must comply with applicable federal, state, and local laws, must provide all documentation requested to allow FEMA to ensure project applications comply with Federal Environmental and Historic Preservation (EHP) laws, implementing regulations, and Executive Orders; and must comply with any EHP compliance conditions placed on all grants.

______ Applicants that utilize contractors for work conducted with FEMA PA funding must follow the procurement and contracting rules detailed in 2 CFR §200.318-326.

Signature of Authorized Representative/Primary Contact
