4th Quarter Status Reports, Claims, & other necessary documentation due in WebGrants by January 31, 2021.
Things to Consider:

- Project timelines
- Environmental and Historic Preservation (EHP)
- Training and Exercise Requirements
- Documentation to start collecting now
- Status Reports
- Subaward Adjustments
Project Timelines

- While most costs are reoccurring, monthly costs, some projects require a planning timeline.
- Ensure all projects are completed by the end of the period of performance (December 31st)
- Any expenses past period of performance will not be reimbursable.
Environmental and Historic Preservation (EHP)

- Agencies must submit an EHP for projects that involve changes to the natural or built environment.
  - Examples of projects that need an EHP: laying a concrete pad, installing antennas, sirens, affixing items on a wall where previous brackets were not already in place, security cameras, security doors, etc.
- The EHP must be approved before implementation of the project. If you are unsure on whether a project requires an EHP, call your grant specialist.
Training and Exercise Requirements

- Required of all EMPG funded personnel
  - Participate in 2 exercises per calendar year.
  - One discussion based and one operational.
  - The severe weather drill and the Great Shakeout will no longer count towards EMPG credit.
- Complete 11 FEMA Professional Development Series Courses plus training from Information Bulletin.
Claim Documentation
