

# Are you a new Floodplain Administrator?

## The Floodplain Management Section wants you!

**Thursday, February 27, 2025, 11:30am - 12:30pm**

**Not sure where to start as a Floodplain Administrator? We've got you covered! This workshop will help you learn how to manage your high-risk areas. Some things that will be covered in this webinar is the history of the National Flood Insurance Program (NFIP), how to find out if your community participates, substantial damage, permitting and so much more! Find the registration link below.**

### **Missouri Floodplain Management Staff:**

**Karen McHugh, CFM - Presenter**

**Lauren Imhoff, CFM - Workshop Moderator**

**Korie Otto, CFM**
