

October 28, 2024

Dear Missouri Floodplain Administrators,

The Floodplain Management Section at the Missouri State Emergency Management Agency (SEMA) is pleased to announce we will be cohosting a *LO273 Managing Floodplain Development Through the National Flood Insurance Program* course with the Missouri Floodplain & Stormwater Managers Association (MfSMA). Participation is limited to 30, and spots will fill quickly! Below you will find information on how to register along with the course date and time.

As background, this course provides local, state, tribal, territorial, and Federal officials with the knowledge and skills to administer and enforce floodplain management regulations. The course focuses on the NFIP and concepts of floodplain management, flood maps and studies, ordinance administration, and the relationship between floodplain management and flood insurance. The course is designed to provide new floodplain administrators with the information and communication techniques to explain the impact of floodplain management decisions on insurance, public safety, and health.

Course Date & Time: December 2nd-5th, 2024, 8:00am – 5:00pm

Location: Lee's Summit Police Department Training Center
10 NE Tudor Road
Lee's Summit, Missouri 64063

To register for this course please sign up through the Missouri STEMs training website registration link provided: <https://sematraining.com/courses/2619/offerings/10119>.

Have questions please contact Lauren Imhoff, CFM Deputy State NFIP Coordinator lauren.imhoff@sema.dps.mo.gov or our Training and Exercise Program Manager Michelle Nienhuis at Michelle.Nienhuis@sema.dps.mo.gov.

Thank you and we look forward to seeing you in class!

Best regards,

Karen McHugh, CFM
